Using this Book

The primary aim of this book is to help you to prepare for the 74-678 exam and, of course, to ultimately pass it. All of the exam topics are explained in detail, so even if you don't have much experience in Microsoft licensing youâ€™ll be able to learn what you need to know for the exam.

As well as the explanations with their accompanying diagrams, this book also contains other useful resources youâ€™ll need to complete your exam preparation:

â€¢ Revision Cards - to remind you of the things that you should try and learn for the exam

â€¢ Revision Questions - to allow you to check how your learning is going - or, indeed, how good your existing knowledge is

â€¢ A sample scenario - as a final check to see if youâ€™re ready to take the exam
