"The title says it all. There is no false hope... There is much to be learned from those who don't die when they are supposed to..."

--BERNIE SIEGEL, M.D. Author of Love, Medicine and Miracles and The Art of Healing

"Riveting and richly engrossing stories of courage ... never say die."

-Dr. Oz (Mehmet Oz, M.D.) Host of the Dr. Oz Show and Prof. of Surgery, NYP Columbia Medical Center

"In his outstanding book, Hope Never Dies, Rick Shapiro offers us a window into the lives of extraordinary patients and the paths they have taken to defy the odds of the 'experts'. Through their own stories and the group of practitioners who have provided their unique and different approaches to healing, he provides an inspiration not only for patients and their families, but a critical message for the conventional oncology community to awaken to the value of a true integrative approach that is too frequently absent in cancer care today."

-D. Barry Boyd, M.D., M.S.

Assistant Prof. of Medicine, Yale School of Medicine, Director of Cancer Nutrition, Yale New Haven Health, Senior Attending Medical Oncology, Greenwich Hospital-Yale Health

"Rick Shapiro's amazing book, Hope Never Dies, is a wonderful and important preference for anyone who has been diagnosed with cancer. It is a must read for everyone in the field of oncology, and all my patients, present and future. Read the stories and interviews, digest the material. Your life or that of someone you know may depend on it."

-Robert Zieve, M.D. Medical Director, Partners in Integrative Cancer Therapies

"What a powerful testament to the strength of the human spirit and the true meaning of hope. The stories of terminal cancer 'thrivers' along with therapies and commentary by leading cancer specialists, makes Hope Never Dies a must read for anyone living with cancer, their families, and the medical community at large."

-Tieraona Low Dog, M.D. Fellowship Director, Academy of Integrative Health and Medicine, and Cancer

Thriver

"Hope Never Dies is an amazing, empowering book that gives readers a set of invaluable tools to look at a cancer diagnosis through a new and hopeful lens. For the newly diagnosed, or for those already journeying through the labyrinth of cancer, this wonderful book clearly presents integrative medical approaches from some of the leading professionals in the field that will enhance the lives of many."

-Rebecca Katz, M.S.
