## Summary:

Precious Bane free textbook pdf downloads is given by phulands that special to you for free. Precious Bane download free pdf written by Mary Webb at August 31st 1990 has been converted to PDF file that you can read on your laptop. For your info, phulands do not place Precious Bane download ebooks for free pdf on our hosting, all of book files on this web are found via the syber media. We do not have responsibility with content of this book.

A compelling story of passion, with an enduring air of enchantment throughout, Precious Bane is a novel that haunts us with its beauty and its timeless truths about our deepest hopes. Set in Shropshire in the 1800s, it is alive with the many moods of Nature, benevolent and violent and the many moods -- equally benevolent and violent -- of the people making lives there.

Â

Prue Sarn is an unlikely heroine, born with a facial disfiguration which the Fates have dictated will deny her love. But Prue has strength far beyond her handicap, and this woman, suspected of witchcraft by her fellow townspeople, rises above them all through an all-encompassing sweetness of spirit.

Â

Precious Bane is also the story of Gideon, Prue's doomed brother, equally strong-willed, but with other motives. Determined to defeat the poverty of their farm, he devotes all his energies to making money. His only diversion from this ambition, he abandons her for the stronger drive of his money lust.

Â

And finally, it is the story of Kester Woodseaves, whose steady love for all created things leads him to resist people's cruelty toward nature and each other, and whose love for Prue Sarn enables him to discern her natural loveliness beneath her blighted appearance.Â

Rebecca West, a contemporary of Mary Webb, called her, simply, "a genius," and G. K. Chesterton, another contemporary, asserted: "the light in the stories . . . is a light not shining on the things but through them."

Â

Critic Hilda Addison summed up Precious Bane: "The book opens with one of those simple sentences which haunt the mind until the curiosity has been satisfied . . . It strikes a note which never fails throughout; it opens with a beauty which is justified to the last sentence."

Â

When the book was first published in 1926 in America, the New York Times Book Review predicted: "on some bookshelves, we feel sure, Precious Bane will find almost a hallowed place."Â
