Crooked Fork tradition held that if a man chased a woman - and caught her - he'd win her hand in marriage. Though deeply dedicated to the small mountain community, Skye Archer had made sure she'd outrun its every male. But to her chagrin, Cole Denton's arrival in town had her heart racing - and her pace slowing...

His warm gray eyes mesmerized her... and his tall, muscular physique told her she'd finally met her match.

City-man Cole didn't expect such a deep-rooted local opposition to the resort area he was building, but he didn't expect to see men chasing women down mountains, either! He was soon hooked on Crooked Fork's colorful charm -- and on the raven-haired beauty who wouldn't be caught. Or would she?
